Video presentation

We will present participating teams and divisions in our social media channels up until the championship. All teams are welcome to send us video clips that we can use. For example: a part of the routine, a quick "interview" what you look forward to most about the competition or something similar.

You can send in 1 or more video clips, at least 2 seconds long each. The video clips must be vertical (standing).

Send your videos with wetransfer.com to nm@cheerleading.se. Put club name + team name + division in the message part.
